Service available to residential customers pre-selected to Astron for 6 months connection. An administration fee of \$39 will apply if service is terminated prior to the contract expiring date.

◆ All rates are GST inclusive and based on "Best Rates II – Direct" plan except Local Calls<sup>^</sup>. Effective 5 October 2009, and subject to change without notice. Rates available to "Best Rates II" Plan customers only. Astron terms and conditions apply. National calls and calls to mobile are billed in 30 second increments, International calls are billed in 2 minute increments and a 29¢ connection fee applies to all calls. Service may not be available in some areas.

▲ For each period of your call, ½ hour for "½ Hour Chat", calls are charged at our standard rates until the "price cap" is reached. Charging recommences after each price cap. Does not include calls to or from mobile phones. If the cost of your call is less than the price cap, your call is charged at our normal standard rates.

\* The savings are based on call charges only (excludes service and equipment charges) and is against your most recent telephone bill from your previous service provider and must be against the same type of service on "standard rates" (i.e. not cap or special discounted plans, prepaid, phone card or VoIP) published on respective website and for the same type and minutes of calls.

# Discount on total invoice charge.
