Countries marked * are qualified for \$20 monthly International cap on a calendar month basis. Any calls to countries or call type not marked will be charged at the applicable standard rates. All rates indicated are per minute rates (including GST). Rates are valid as of 14 Nov 2011, and are subject to change with 30-day notice. International calls have a minimum 2-minute charge with 2-minute increment thereafter and a connection fee of \$0.09 per call. Calls to mobiles may attract a higher rate. Both National and Calls to Mobiles (Australia) are billed in 6-second increments with a connection fee of \$0.39 per call. For National Night Cap, \$0.39 connection fee plus applicable standard per minute rate is used until the charge reaches the Night Cap rate. Charging recommences after every 2 hours. Calls must start and finish between the specified times.

Astron will invoice all calls made using the applicable access numbers as provided, and that the cost of calling these numbers will be an extra cost charged by customer's current service provider.

Service is subject to Astron's Reasonable Use Policy and standard Terms and Conditions (available at www.astron.net.au or upon request) and may not be available in some areas. The Call Saver Unlimited plan is not available for commercial use. Astron reserves the right to suspend or withdraw the plan without notice should any abnormal usages occur or customers in breach of the Reasonable Use Policy
