Rates are valid as of 1 January 2011 and subject to change with 30 days notice. International calls have a minimum 2-minute charge with 2-minute increment thereafter with a connection fee of \$0.39 per call (\$0.79 for Macedonia landline & mobile) and calls are rounded to the nearest 5 cent. Calls are billed at standard rates if dialled directly or an Override Code (1428 or 1414 where applicable) is not used. Service may not be available in some areas.

Combo International - Countries marked * are the 50 countries qualified for the Cap Option under Combo International plan by dialling 1428 override code only. Calls to mobiles may not be included in the qualified countries. Per call connection fee of \$0.39 is in addition to the monthly \$20 cap, where applicable. Standard call rates apply until the monthly cumulative usage reaches the \$20 cap. The \$20 cap is on a calendar month basis. You will only be charged for the calls you make at the applicable rates if you do not use up to the \$20 cap in a month. The Cap Option is subject to Astron's Reasonable Use Policy and standard Terms and Conditions (available at www.astron.net.au or upon request).
