Note: No fee will apply if customers want to increase the Extra Download Option. \$55 applies for speed change.
MB is Megabyte. **GB** is Gigabyte; 1 Gigabyte is equal to 1,000 Megabytes.

<u>Set up fee</u>	<u>Contract Length</u>
Free	24
\$90	12
\$180	No Contract

Set up fee includes connection fee and modem. \$12.50 delivery fee apply.

We reserve the right to charge an additional \$30 monthly fee if there is no usage over a 3 month period.

An early termination fee of \$250 applies to 12 or 24 month contract customers. An administration fee of \$99 applies to No Contract customers if they wish to cancel their service within 6 months of being installed. A \$176 relocation fee applies if the broadband service number is transferred to a new address within 6 months of being installed or \$99 after the first 6 months. The service speed is reduced to at least 64 Kbps after customers reach their usage limit. No excess usage charges are made thereafter. All rates (including of GST) are effective as 1 November 2008 and subject to change without notice. Service may not be available in some areas.
