We will provide the services using our facilities, including a VoIP gateway (or VoIP gateways), or those of other carriers, telecommunication service providers, including broadband network providers (Carriers), or equipment suppliers and the Public Switched Telephone Network (PSTN). You agree that we –

 - 2.2 We do not warrant that we will be able to supply Services and we are not liable for any failure to provide all or part of any of the Services, but, to the extent and to the standard that Carriers provide Services to us, those Services will be provided by us to you. When your connection is disrupted, we will do our best to reinstate our Services to you as soon as we can.
 - 2.3 You acknowledge and understand that the service does NOT support traditional 000 access to emergency services. You agree to inform any persons who may need to use the 000 service from the premises that the Astron VoIP service is installed that the 000 emergency service is not available on Astron's VoIP service and a standard PSTN telephone service must be used.
