

Wireless Broadband

Freedom for your broadband
Whenever & Wherever you want!
Go Wireless with Astron!

Now **FREE*** USB modem with 24 month contract!

- Wireless Broadband doesn't use your phone line
- Simple to set up, no cables/wires
- It is affordable
- It is fast with excellent coverage on the Optus 3G network

Included monthly data allowance	Monthly fee (24 month contract)	20% Discount [^]
1 GB	\$19.50	\$15.60
3GB	\$29.95	\$23.96
6GB	\$43.95	\$35.16

[^] 20% discount if bundled with Astron's Direct or Line Rental Service.

It is the customer's own responsibility to check their daily and monthly usage to ensure they do not exceed the data limit allowed.

* All rates are GST inclusive and effective as of 1 November 2010. Free USB modem offer is available to approved customers on a 24 month contract while stocks last and subject to Astron's terms and conditions. Service provided via Optus 3G/HSDPA GSM Network and may not be available in some areas.

Downloads and Uploads are counted towards included monthly data allowance. Unused monthly data will be forfeited. Excess usage will be charged at \$0.08 per MB. All plans, except the 6GB will not be suspended until the data usage reaches 6GB per month, whereupon the service will be suspended until the 1st of the next month. The 6GB plan will be suspended at 7GB.

Service may be cancelled for continuous download or your act is affecting other users. USB Modem can only be used on the Optus network even if a customer has purchased it outright.

Minimum monthly spend for a 24 month contract is \$468.00 (1GB), \$718.80 (3GB), and \$1,054.80 (6GB). Cancellation fee on a 24 month contract, up to 6 months is \$110, 7-18 months is \$87 and 18-24 months is \$39.

Discount offer will be revoked if you choose to pre-select to other service providers for long distance calls.
